

# Weekly News

Friday 6 May 2022

The children have been delighted to start spending play times on the field and using the new trim trail over the last few weeks (see next page). The school allotment has been planted up with an exciting array of vegetables by Year One and Two and the Forest School area has begun to be cleared now that we have found someone (from S4A) who is qualified to re-start sessions as soon as it is ready! It is great to be able to take advantage of our lovely outdoor spaces already this term and we look forward to using our beautiful grounds as much as possible.

Well done to everyone who took part in the 'Big Walk and Wheel' event recently by walking/cycling/scooting to school. We came a creditable 387th out of 2440 participating schools!

*Ch Richards*

Year 2— **Danny**

Year 3— **Alfie S**

Year 4— **Theo**

Year 5— **Reece C**

Year 6— **Charlie**

Well done to all of you!

### **Be warned!**

Now that Covid restrictions have relaxed, the council have let us know that there are a number of illnesses which are spreading more widely among children at the moment. These include chickenpox, scarlet fever and sickness bugs. We are certainly seeing an increase in sickness bugs and chicken pox among our younger pupils at the moment. Please remind your children, as we are, of the importance of regular hand washing and be on the look out for spots and rashes! We are also trying to clean all areas of the school even more thoroughly than usual in an effort to halt the spread of any infections as far as possible.

JLT have tested our new trim trail which they chose!
