

# Weekly News

Friday 13 May 2022

Year Six are very much the stars of this week as they have worked with determination, effort and resilience while remaining calm during their SATs tests. This is a formal, statutory process which we are obliged to put them through and they have impressed everyone with the manner in which they have prepared for and tackled it despite the disruption to their learning over the majority of their time in Key Stage Two! They have been able to have a bit of 'down time' today during their 'Hook Day' (see photos on next page) which is very well deserved.

On another note, we are beginning to experience difficulties with staff illness again due to the sickness bug and other illnesses which are circulating at the moment. Thank you very much to all Pre-school parents and carers for their understanding when we had to close Pre-school yesterday due to a lack of staff.

*CP Richards*
