

# Weekly News

Friday 21 January 2022

Thank you very much to all those parents who have done, and are doing, lateral flow tests with their children for 7 days when we have requested it. It really is making a difference to catching positive cases early and therefore restricting the spread of the virus within school where possible. For your information, a couple of isolated positive cases have been confirmed in Y1 and Y4 at the end of this week. The Y6 outbreak appears to be reaching its end. Please be reminded that if a child has any of the three Covid symptoms, they must get a PCR test even if a lateral flow test shows negative. If you are in any doubt, please feel free to contact us as we have developed a great knowledge of the current guidelines and rules over the last few weeks!

*C. Richards*

If you haven't already found it, please follow this link to our new **Facebook page** and follow us!

<https://m.facebook.com/SteepleClaydonSchoolandPreschool>

We are putting regular updates on the page about things that happen in school and our **new feature of book recommendations** will give you ideas to motivate your child to read. In order to make #SteepleStarBooks as successful as possible, **please could you send us your own** recommendations of family favourites which other people may enjoy reading so that we can include them on the page. Thank you!
