

# Weekly News

Friday 27 May 2022

I have never been prouder of our whole school community than I have been this week! During our inspection, we heard lovely comments about the school and everything we are striving to achieve for our children from parents, pupils, staff and the inspectors themselves. We really are all part of an amazing organisation which I am privileged to lead. Unfortunately, I cannot share the official outcome of the inspection with anyone, including the staff until our Ofsted report is published which might not be until the last week of this term. All I can say is that it was a fair and helpful process and we are looking forward to reading the report when it becomes available. I would also like to express my huge gratitude to the three local headteachers who came and taught in Years 2 and 3 on Tuesday for me when I was unable to find any supply cover at all!

*C. Richards*

Year 4— **Henry S**

Year 5— **Mylo**

Year 6— **Azalea**

Well done to all of you!

Our JLT visited the new Co-op today to participate in the official opening! Don't forget that we are currently one of the 'good causes' they are raising money for so if you have a Co-op card, please select our FOSCS fundraising for the Artis project to improve pupil wellbeing as your chosen charity. This way all donations made as a result of your shopping will be given to our project rather than being split between three. Thank you!
