Friday 29 April 2022

Welcome back to what promises to be a very exciting term! I hope you all had a good break over Easter. The children have settled back in really well. Due to the dry weather recently, we have started to be able to use the school field, including the new trim trail, and take more opportunities to learn outside which has been lovely to see.

I hope you are able to enjoy some good family time over the long weekend and we will see you on Tuesday. Please remember that if you ever have any feedback, positive or negative, about your child's school experience, do get in touch in whatever way suits you best as we want to work with you to ensure we are providing the best education possible for your children.
