Friday 12 November 2021

After the excitement of fireworks and Halloween, this week has seen us become more reflective as we helped the children understand the importance of Remembrance Day. The Y1-6 children observed a two minute silence outside beautifully on Thursday. It was also a very appropriate week for the first school visit since pre-Covid times to take place as Years 5 and 6 visited Bletchley Park as part of their 'Codebreakers' topic on Wednesday.

Year 5— **Maisie**

Year 6— **Connie**

Well done to all of you!

Book Fair from Wednesday!

There will be an excellent selection of books available for the children to peruse after school each day between 17 and 24 November. Additionally, the team at Scholastic reward the school with reading material for our library and classrooms according to the number of books ordered. There will be order forms available to complete online orders at home. Once completed, please return the form to school, so we can provide your child with the correct book. If a book is really popular, we will order more copies from the Scholastic team and provide them to your child in due course. We cannot wait for it to come and we hope you take the time to explore the book fair when it arrives! Please bear with us as we will be limiting numbers in the hall and asking adults to wear a mask for Covid safety.
