It has been lovely to welcome so many parents to our Harvest activity sessions this week. It was great to see you in the school building after such a long time! If you have any feedback for us about these sessions or anything else for that matter, please don't hesitate to let me know via the office. We are always keen to know what we are doing well and how we can improve.

You will be aware that there have been two isolated cases of Covid confirmed this week. Please know that we are monitoring this situation constantly and following all current Government and Public Health England advice. If you have any queries or concerns about this, please contact me directly.
