Friday 10 September 2021

The weather this week has certainly made us fully aware that it is Autumn, but with that comes exciting events, starting with Harvest! Please note the dates for our Harvest activity sessions and come to join your child for a while in class on the relevant day if you can.

Some parents may have noticed that we are currently having a whole school focus on ensuring as many children as possible are wearing uniform which conforms to our uniform policy. We would be really grateful if you could ensure in particular that PE kit includes royal blue PE shorts (not cycling shorts) and that trousers and jumpers worn on PE days are predominantly plain and dark with only small logos or branding allowed. Thank you very much it makes all the difference to the way we present as a school community.
