Friday 24 September 2021

It has been a really busy week in which FOSCS have held their AGM. Welcome to Carol Barraclough, the new FOSCS chairperson, who will take over from Jo Vipan. Thank you Jo for leading such successful fundraising activities over the last few years! More news about this year's exciting fundraising plans will follow. The governors have also had their first meeting in school for over a year this week and will be able to fulfil their role so much more easily as a result of being able to be here! Similarly we now have plans underway to invite parents into school for a few events before half term so please read the rest of this newsletter and put the dates in your diary to visit if you are able to.

As part of our desire to invite parents into school now that it is possible, we have decided to hold a different event celebrating Harvest this year. Each class **during the week beginning 11 October will be open to parents for one afternoon or morning while they complete some activities related to Harvest.** Parents will be able to book a 20-30 minute 'slot' when you can visit the class and share the activity with your child.

Refreshments will also be available in the hall. We are hoping this will be the first of many great opportunities to re-build the strong parent/school community after 18 months of not being able to have parents in school. Further details regarding booking will be sent out next week but here are the days each class will be open:

- **Monday pm Y4 & Y6**
- **Tuesday pm Y2 & Y5,**
- **Wednesday am Pre-School and Reception,**
- **Thursday pm Y1 & Y3.**

As part of Bike to school week, on **Monday (27th September) at 3.20pm, Claydon Cycling Club will be running an event for any pupils and their parents to attend.** Bring your bike and helmet and they will check them for safety as well as encouraging safe riding practice. Any children attending must be accompanied and supervised by a parent, who can also bring their bike and helmet if they wish but this is not essential!
