

Year 4 Timetable - Two-week isolation timetable

DAY	ENGLISH	MATHS	TOPIC
1	<p>To learn about Maori culture</p> <p>In this lesson we will learn about Maori culture and traditions in preparation for writing a narrative based on the film 'Whale Rider'.</p> <p>https://classroom.thenational.academy/lessons/to-learn-about-maori-culture-ccvpcc</p>	<p>Recognising the place value of each digit in a 4-digit number</p> <p>In this lesson, we will be looking at 4-digit numbers, how to represent them in different ways and how to consider how many thousands, hundreds, tens and ones are in different numbers.</p> <p>https://classroom.thenational.academy/lessons/recognising-the-place-value-of-each-digit-in-a-4-digit-number-cgup6r</p>	<p>ART - Introduction to collage and experimentation with paper</p> <p>In this lesson, pupils will create a variety of experiments using paper to create different collages. They could be ripped or cut, layered or spaced-out, neat or messy. Pupils will find that collage has a wide variety of possible outcomes. This lesson includes some physical activity and equipment beyond pen, paper or pencil. Please make sure your child is adequately supervised.</p> <p>https://classroom.thenational.academy/lessons/introduction-to-collage-and-experimentation-with-paper-cgvpcd</p> <p>GEOGRAPHY - What are the countries of Europe?</p> <p>In this lesson, we will be learning about the continent of Europe. We will begin by identifying Europe on a world map. We will then identify other countries, including the United Kingdom, on the map of Europe.</p> <p>https://classroom.thenational.academy/lessons/what-are-the-countries-of-europe-69k6cr</p>
2	<p>To revise simple, compound and complex sentences</p> <p>In this lesson we will revise the components of simple, compound and complex sentences. We will identify examples of each type and write our own.</p> <p>https://classroom.thenational.academy/lessons/to-revise-simple-compound-and-complex-sentences-6tgp2d</p>	<p>Ordering and comparing numbers beyond 1000</p> <p>In this lesson, we will be looking at how to work out whether a number is greater or less than a different number and ordering and comparing numbers.</p> <p>https://classroom.thenational.academy/lessons/ordering-and-comparing-numbers-beyond-1000-cgup6r</p>	<p>ART - Experiment with layering to create 4 collaged cupcakes</p> <p>In this lesson, pupils will use a cupcake structure to collage upon. They will create a cupcake using ripped paper, small shapes (eg. squares and rectangles), large shapes and much bigger shapes, that create a more abstract outcome. This lesson includes some physical activity and equipment beyond pen, paper or pencil. Please make sure your child is adequately supervised.</p> <p>https://classroom.thenational.academy/lessons/experiment-with-layering-to-create-4-collaged-cupcakes-69h3ar</p> <p>GEOGRAPHY - What are the physical features of Europe?</p>

		g-and-comparing-numbers-beyond-1000-cmr66c	<p>In this lesson, we will be learning about the four regions of Europe: Central Uplands, Western Uplands, North European Plain and Alpine Mountains. You will also learn about the tallest mountain in Europe and also the important rivers that divide up Europe.</p> <p>https://classroom.thenational.academy/lessons/what-are-the-physical-features-of-europe-74wp6r</p>
3	<p>To develop an understanding of the main characters in a film</p> <p>In this lesson we will watch a clip from the film 'Whale Rider' and analyse the two main characters in terms of their actions and internal feelings and emotions. Please note that the death of a mother and brother are briefly mentioned in this lesson. If this is a sensitive topic for your child, please make sure they are adequately supervised. There is also a film clip which features some violence in the context of a Maori tradition.</p> <p>https://classroom.thenational.academy/lessons/to-develop-an-understanding-of-the-main-characters-in-a-film-6xhp6c</p>	<p>Ordering and comparing a set of numbers beyond 1000</p> <p>In this lesson, we will be looking at how we can use place value to create the greatest or smallest number and comparing and ordering two or more numbers.</p> <p>https://classroom.thenational.academy/lessons/ordering-and-comparing-a-set-of-numbers-beyond-1000-6nh36r</p>	<p>ART - Experiment with fine-line drawing and pattern to create 20 cake ideas</p> <p>In this lesson, pupils will use a stand, cake and topping to create twenty line-drawings of cakes. These will vary in outcome and play with pattern, shape and line. Pupils will need to work fast to create these quick experiments.</p> <p>https://classroom.thenational.academy/lessons/experiment-with-fine-line-drawing-and-pattern-to-create-20-cake-ideas-ctk3cc</p> <p>GEOGRAPHY - What are some of Europe's most important human characteristics?</p> <p>In this lesson, you will learn about the population of Europe as well as understanding the population density in each subregion of Europe. You will study the important cities and landmarks across Europe, learning lots of new facts! Finally, you will also learn more about the economy of Europe and what is traded into (imported) and traded out of (exported) Europe.</p> <p>https://classroom.thenational.academy/lessons/what-are-some-of-europes-most-important-human-characteristics-chhkat</p>

4	<p>To plan a narrative build-up</p> <p>In this lesson we will discuss the purpose of a narrative build-up. We will then re-watch a clip from the film 'Whale Rider' and describe the characters' actions. Please note that the death of a mother and brother are briefly mentioned in this lesson. If this is a sensitive topic for your child, please make sure they are adequately supervised. There are also stills from a film clip which feature some violence in the context of a Maori tradition.</p> <p>https://classroom.thenational.academy/lessons/to-plan-a-narrative-build-up-6th30c</p>	<p>Finding 10, 100 or 1000 more than a given number</p> <p>In this lesson, we will be using our place value knowledge to find 10, 100 or 1000 more than a given number and considering how the digits change when we are required to regroup.</p> <p>https://classroom.thenational.academy/lessons/finding-10-100-or-1000-more-than-a-given-number-cmu62c</p>	<p>ART - Create surfaces to be used for collage (in next lesson)</p> <p>Using paint, oil pastel and a variety of available material, pupils will create a selection of coloured surfaces and develop textures that are inventive and unique. This is in preparation for the next lesson. Please note this lesson will require some additional equipment, beyond a pen, pencil or paper, to fully participate. Please see the equipment slide near the start of the lesson video and make sure your child is adequately supervised if equipment is required.</p> <p>https://classroom.thenational.academy/lessons/create-surfaces-to-be-used-for-collage-in-next-lesson-crt3cd</p> <p>GEOGRAPHY - Where are the world's rivers?</p> <p>In this lesson we will be learning about rivers around the world. We will mainly be focusing on the continents of South America, Africa and Europe.</p> <p>https://classroom.thenational.academy/lessons/where-are-the-worlds-rivers-6dh32d</p>
---	--	---	---

5	<p>To practise punctuating speech</p> <p>In this lesson we will discuss the key components of speech punctuation. We will then practise punctuating speech at the beginning and end of sentences. Please note this lesson includes a film clip which features some violence in the context of a Maori tradition.</p> <p>https://classroom.thenational.academy/lessons/to-practise-punctuating-speech-cgu3jd</p>	<p>Finding 10, 100 or 1000 less than a given number</p> <p>In this lesson, we will be using our place value knowledge to find 10, 100 or 1000 less than a given number and considering how the digits change when we are required to regroup.</p> <p>https://classroom.thenational.academy/lessons/finding-10-100-or-1000-less-than-a-given-number-c8w3gc</p>	<p>ART - Create a 2D collaged cake stand using your textured surfaces</p> <p>Using a cake stand outline, pupils will build multiple cakes using the prepared collaged surfaces from the previous lesson. They will reference their designs from lesson 3 and adapt them to work effectively in collaged form. This lesson includes some physical activity and equipment beyond pen, paper or pencil. Please make sure your child is adequately supervised.</p> <p>https://classroom.thenational.academy/lessons/create-a-2d-collaged-cake-stand-using-your-textured-surfaces-6xhp6d</p> <p>GEOGRAPHY - How do rivers shape the land?</p> <p>In this lesson, we will be learning about how rivers shape the land. We will be learning about the four types of erosion, the four types of transportation and learning about what deposition is.</p> <p>https://classroom.thenational.academy/lessons/how-do-rivers-shape-the-land-69j64r</p>
6	<p>To write a narrative build-up</p> <p>In this lesson we will use our character analysis and plans to write a narrative build-up based on the film 'Whale Rider'. Please note that the death of a mother and brother are briefly mentioned in this lesson. If this is a sensitive topic for your child, please make sure they are adequately supervised.</p> <p>https://classroom.thenational.academy/lessons/to-write-a-narrative-build-up-6ctpac</p>	<p>Rounding numbers to the nearest 10</p> <p>In this lesson, we will be using counting sticks and number lines to record the two nearest multiples of 10, positioning a number on a number line and deciding which is the closer multiple of 10 to the number.</p> <p>https://classroom.thenational.academy/lessons/rounding-numbers-to-the-nearest-10-c4uk8c</p>	<p>PSHE - Employment</p> <p>In the lesson today we will look at the term 'sector' and why jobs may be categorised. We will also consider the different skills needed for different careers.</p> <p>https://classroom.thenational.academy/lessons/employment-71h3ct</p> <p>GEOGRAPHY - What landforms do rivers create? (Part 1)</p> <p>In this lesson, we will be learning about what landforms are and how they can be created. We will also be looking at how rivers can create dramatic landforms by studying the Horseshoe Bend in the Grand Canyon and the Nile Delta in Egypt.</p> <p>https://classroom.thenational.academy/lessons/what-landforms-do-rivers-create-part-1-70rp8r</p>

7	<p>To plan a narrative climax</p> <p>In this lesson we will plan a narrative climax based on a clip from the film 'Whale Rider'. We will focus on the characters' actions, body language and facial expressions to show their feelings and emotions. Please note the film clip features the death of a whale. If this is a sensitive topic for your child, please make sure they are adequately supervised.</p> <p>https://classroom.thenational.academy/lessons/to-plan-a-narrative-climax-crv3ce</p>	<p>Rounding numbers to the nearest 100</p> <p>In this lesson, we will be using counting sticks and number lines to record the two nearest multiples of 100, positioning a number on a number line and deciding which is the closer multiple of 100 to the number.</p> <p>https://classroom.thenational.academy/lessons/rounding-numbers-to-the-nearest-100-crv36c</p>	<p>PSHE - Money, money, money</p> <p>This lesson will consider why we have money... what's the point of it? We will also look at why saving is important and different ways of paying for things.</p> <p>https://classroom.thenational.academy/lessons/money-money-money-61gked</p> <p>GEOGRAPHY - What landforms do rivers create? (Part 2)</p> <p>In this lesson, we will be learning about how meanders in rivers are formed. In order to do this, we will be looking at the process of erosion and deposition in more depth. We will also be learning about how an oxbow lake is formed.</p> <p>https://classroom.thenational.academy/lessons/what-landforms-do-rivers-create-part-2-69h3ec</p>
8	<p>To write a narrative climax</p> <p>In this lesson we will use our film analysis and plans to write a narrative climax based on the film 'Whale Rider'. Please note that the film clip features the death of a whale. If this is a sensitive topic for your child, please make sure they are adequately supervised.</p> <p>https://classroom.thenational.academy/lessons/to-write-a-narrative-climax-64rpar</p>	<p>Rounding numbers to the nearest 1000</p> <p>In this lesson, we will be using counting sticks and number lines to record the two nearest multiples of 1000, positioning a number on a number line and deciding which is the closer multiple of 1000 to the number.</p> <p>https://classroom.thenational.academy/lessons/rounding-numbers-to-the-nearest-1000-crr66d</p>	<p>PSHE - Growing money</p> <p>Today we will look at interest rates. How do they work when we are saving money with a bank or building society? And how do they work when we are borrowing from them?</p> <p>https://classroom.thenational.academy/lessons/growing-money-6mu30r</p> <p>GEOGRAPHY - Why are rivers important to people?</p> <p>In this lesson, we will be learning about rivers and why they are important to people. We will be looking at two case studies in the lesson today - the Volga River in Russia and the Amazon River in South America.</p> <p>https://classroom.thenational.academy/lessons/why-are-rivers-important-to-people-6cv3cd</p>

9	<p>To plan a narrative resolution</p> <p>In this lesson we will plan a narrative resolution based on a clip from the film 'Whale Rider'. We will focus on the character's actions, body language and facial expressions to show their feelings and emotions.</p> <p>https://classroom.thenational.academy/lessons/to-plan-a-narrative-resolution-cdhpac</p>	<p>Finding the odd one out</p> <p>In this lesson, we will be finding the odd one out by using our knowledge of place value and rounding.</p> <p>https://classroom.thenational.academy/lessons/finding-the-odd-one-out-75j36r</p>	<p>PSHE - Men and women at work</p> <p>In this lesson, you will become aware of the gender stereotypes related to work. You will recognise some of the key skills needed to do a job and create a video explaining that getting a job depends on the skills and attributes that a person possesses.</p> <p>https://classroom.thenational.academy/lessons/men-and-women-at-work-c8v3et</p> <p>GEOGRAPHY - What happens when a river floods?</p> <p>In this lesson, we will be learning about the physical causes of flooding as well as the human factors which can increase the risk of flooding. We will also be learning about dams by studying the Aswan High Dam in Egypt.</p> <p>https://classroom.thenational.academy/lessons/what-happens-when-a-river-floods-ccwkct</p>
10	<p>To write a narrative resolution</p> <p>In this lesson we will use our plans to write a narrative resolution based on the film 'Whale Rider'.</p> <p>https://classroom.thenational.academy/lessons/to-write-a-narrative-resolution-cgk4c</p>	<p>Applying and consolidating: Reasoning with 4-digit numbers</p> <p>In this lesson, we will be applying and consolidating our knowledge of place value and rounding by recapping key learning and applying our learning to answer different questions.</p> <p>https://classroom.thenational.academy/lessons/applying-and-consolidating-reasoning-with-4-digit-numbers-64t30d</p>	<p>PSHE - Bullying</p> <p>In this lesson, you will understand the different types of teasing and bullying and learn where and how to get help. You will create an anti-bullying factsheet for a new child starting school.</p> <p>https://classroom.thenational.academy/lessons/bullying-c9j3ar</p>
